Sunday Mornings' "Mini" Match Play

All Age Programmes

9:00 am - 1:00 pm (Specific Schedule T.B.A.).

Determine Appropriate Programme by Age as of August 1, 2010.

Programme Focus

The primary goal of this programme is to foster a "Love" of the game whilst enhancing proper playing development through an interrelated series of educational progressions and always remaining sensitive to the individual student's needs and potential. Emphasis will be placed on individual ball skills and practical application in match situations. This course of study is designed on a multiple session progression (consisting of 6 training evenings per team and 6 play days per team).

Mini Match - Street Soccer

Mini Match - Street Soccer is the World's soccer origin. Mini Match - Street Soccer has made popular and shaped the sport world wide. The greatest players ever to have played this game have all gained their awe-inspiring skills through thousands of hours playing the game in modified conditions, such as "Mini Match - Street Soccer".

Street Soccer is simply a reduced field with small goals and small numbers of players per team. Sometimes, Goalies are not allowed. These modified rules ensure maximum participation from each player and multiple chances with the ball. The ball is appropriately sized to encourage a more skillfully focused event. All teams will have an actual "playing coach" on the field during all matches. This will allow for better organization and instructional opportunities during match flow.

Facilities The Fall Instructional League will be held at the Tree Farm Soccer Complex in Essex Jct.. Call the Nordic Soccer Club's office for directions (802) 288-9577.

Fees

\$120/participant (Programme T-shirt provided).
